PPN Social Inclusion Rep

LCDC & SICAP

Report Sept 2018 to February 2019

I attended 11 LCDC / SCIAP Meetings. 4 PPN Meetings

I contributed to the debate at all meetings, most of the LCDC meetings deal with Leader Funding and minutes of all meetings are to be seen on Wexford County Council Website.

I also made a presentation to the LCDC on the topic of Basic Income and the details of this can be got from the PPN admin office.

I am currently involved in encouraging the LCDC to look at the Mental Health advantages, for young children and up to early teens, by inviting the organisation known as Buddy Bench Ireland to make a presentation to us.
