

CLAIMS FOR FUNDING OF PUBLIC PARTICIPATION NETWORKS 2015

16 September 2015

Circular Letter CVSP2/2015

To: Each CEO, Local Authority

Cc: Each Director of Community Service

I refer to Department Circular CVSP1/2015 which issued on 23 June 2015 setting out details of the funding mechanism for Public Participation Networks. The purpose of this Circular CSVP2/2015 is to provide some additional information to local authorities and provide them with the appropriate recoupment claim form due to be made to the Department by 02 October 2015.

Local authorities should complete the attached form in respect (a) actual expenditure up to 02 October 2015 and (b) estimated expenditure from that date up to 31 December 2015.

2014 Start-up Funding reports

On 13 July 2015 the Department issued a request for returns detailing how the PPN Start-up Funding paid to local authorities in 2014 was expended. If you have not already done so please return this information via email to Paul Haughton Paul.haughton@environ.ie. as a matter of urgency. The level of this year's funding to be recouped will be dependent on details of the Start-up Funding being submitted as requested.

Expenditure in excess of the initial set up allocation of €12,000 may be taken into account in considering the total to be recouped for 2015 only subject to the funding conditions set in circular CVSP1/2015 i.e. a maximum of €50,000 p.a. provided it is supplemented by a minimum of €30,000 p.a. from a local authority.

Activity Reports January 2016

Sean Thango

A short report on the functioning and achievements of the Public Participation Network will, as part of this process, be required from authorities. Notification and guidance in this regard will issue to authorities towards the end of this year.
