

Report of LCDC and LAG Meeting  
Local Community Development Committee.  
Local Action Group.  
Carricklawn  
27<sup>th</sup> March 2017.

Hi All. Today was my first meeting as the Social Inclusion rep from the PPN to the LCDC. I attended with my colleague Ann Shannon who is also a Social Inclusion rep from the PPN. It was quiet an intense meeting lasting from 10.00 am till 12.45 approx. As this meeting involved both the LCDC and LAG, many topics were up for discussion. One of the most important issues was that if any group or organisation is applying for Leader Funding, then the deadline for Expression of Interests or Applications are vital to eligibility. If it says its 5.30pm on Friday, then its 5.30pm on Friday.

Two very good presentations were given on Mental Health. Information about an upcoming small grant scheme was discussed and details will be issued by the PPN when ready. Many reports were read to the members present and once more I cannot stress enough, if you are applying for any funding of any kind, make sure your application is in on time.
